CANDIDATE PROFILE SA-SUR-181_REV.01

Surveyor

Nationality: Italian
Year of Birth: 1979
Country of Residency: Italy

Profile

I have been collaborating with survey company in Italy and off, since 2008. My work experience is on marine geotechnical and geophysics and construction survey, also I am marine biology. I worked mostly in Kashagan field (Kazakhstan) in the Mediterranean Sea, North Sea, Atlantic Ocean and United Arab Emirates.

- Knowledge of offshore geologic hazard investigations, marine construction surveys, hydrographic surveys, marine geology, and oceanographic investigations.
- Instruments for Geotechnical survey: fishing net zoo-plankton, bottle Niskin Singole and carosuel, multiparameter probe ,pression corer, Box corer, vibro corer, gravity corer, water and sediments analysis.
- Experienced in hydrographic mapping and reporting, sonar interpretation using various industry standard software.
- Acquisition and interpretation of acoustic (Multibeam, Side Scan Sonar, Sparker)

Education

2004 – B.Sc. in Environmental Sciences – University of Palermo
2008 – M.Sc. in Marine Biology – University of Palermo

Trainings

2013 - EivaMarine Survey Solutions; NaviPac – NaviScan – NaviPlot – NaviEdit – NaviModel

Software and Equipment

MS Office, PDS2000, QINSy, NavPro, EIVA, DV2, GeoCalculator, SonarPro 11.2, SES2000, Photoshop, Illustrator, TSS, DVR, VOSS
DGPS Hemisphere VS100 - Gyro and GPS System
DGPS C-NAV -POS MV- DGPS C-NAV 1010R - Vessel positioning pipe and jacketlaying
DGPS Veripos - GPS System
Gyrocompass /MRU - Ixsea Octans, - Well site, pipeline, wreck detecting and general geophysical surveys
SVP Valeport - Valeport Mini SVP - Sound velocity Profile
SVP Navitronic - SVP-15 - Sound velocity Profile
SVP SD 200 W - Sound velocity Profile
Hipap - USBL Positioning System
HPR Simrad HPR400 - USBL Positioning System
